The Office acknowledges receipt of the reply filed on September 15, 2003 in which the Applicant submitted new copies of a sequence listing and computer readable form thereof. However, the reply is not fully responsive to the prior Office Action because: the reply does not respond to any of the outstanding rejections to the claims. Since the period for reply set forth in the prior Office action has expired, this application will become abandoned unless applicant corrects the deficiency and obtains an extension of time under 37 CFR 1.136(a).

The date on which the petition under 37 CFR 1.136(a) and the appropriate extension fee have been filed is the date for purposes of determining the period of extension and the corresponding amount of the fee. In no case may an applicant reply outside the SIX (6) MONTH statutory period or obtain an extension for more than FIVE (5) MONTHS beyond the date for reply set forth in an Office action. A fully responsive reply must be timely filed to avoid abandonment of this application.
